Washington, D.C. 20505

Dear Mr. Carlucci:

On behalf of the Chicago Council on Foreign Relations, I want to thank you very much for being with us for a session with the Chicago Committee. As you may recall, we have been trying to organize this meeting for some time. We really were delighted that your schedule permitted you to join us. We certainly do appreciate it that you were willing to take the time to talk with business leaders from this part of the country. We think the two hours were well spent and I hope you agree.

Sincerely,

Arthur Cyr
